**MACON, GA**

With all of the corona-virus news, hourly briefings, stress, and concern – I wanted to share a little bit of “normalcy”. Every year, since my children were small, I have “put up” an “Easter Egg Tree”. The children are now adults, but I continue the tradition for the neighborhood – young & old.

## *“Happy Easter”*

Spring is here and offers it’s special level of “normalcy” - pollen (now some washed away with a short March shower), flowers, bird watching, comfortable days and cool nights (for the time being).
