“Club News”

* **Walter Arnett** has conferred with the management of **Meadows Gun Club** and our **Annual Sporting Clay Shoot** has been re-scheduled for August 22nd. The club will need “shooters”, door prizes, sponsors, and raffle ticket sales for the Beretta Shotgun as we move forward with the event. Please contact **Walter** to donate, turn in any raffle ticket monies, sponsors, door prizes, or to volunteer for the day of the event.

* The **“Annual Exchangette/Exchangitte Valentines Banquet”** for 2021 has been scheduled with Idle Hour for February 4th 2021. More information to follow much later as we approach the end of the year.

* The Board has scheduled resumption of regular Club Meetings. We will temporarily meet at 11:30 AM to 1:00 PM at **“Buffalos”**, Zebulon Road. The first meeting is scheduled for July 16th to be followed each month on the first & third Thursdays of the month – separating the meeting dates by “14” days. August 6th and August 20th have been arranged for the next two meetings, and will be held in a private room at **“Buffalos”**. Thanks to **Walter Arnett** for the arrangements.

Be prepared to practice **“social distancing”** and bring your **masks**. The meeting agenda will include welcoming of members, opening prayer, and the **“Pledge of Allegiance”** – we will not be singing. The luncheon meal will be ordered individually from **“Buffalos”** menu. The day’s “speaking” agenda has yet to be set. **PLEASE** plan to attend.

* **Club dues are vital** to our Club more so than ever. The Club’s expenses have not stopped even though we have had to curtail meetings due to COVID-19. We still pay have to pay approximately **“30%”** of your monthly dues to District and National Exchange as well as maintain other operating expenses and maintain our **“charitable”** giving opportunities. Due to a multitude of reasons, the **2020/2021 Club Year** is tenable at best – we have to increase revenues, Club member participation, and membership growth.

* **Billy Deason**, past member – **Billy** was taken to the hospital (possibly the Coliseum but not positive) today with difficulties breathing, he had tested positive for COVID-19. **Barbara** is quarantined at home and was not allowed to accompany **Billy**. She had tested negative for the virus but due to being with **Billy** has to quarantine and be tested again.
