“September 10th Meeting Notes”

President Ron Raleigh called the meeting to order at 12:15 AM, and welcomed the members and guests. The invocation was tendered by **Rollin Middlebrooks – Bobby George** led the “Pledge of Allegiance. **President Ron Raleigh** made several announcements - those reported above and **Rollin Middlebrooks & Crawford Lovett** delivered a “Baby Safety Car Seat” to “Caring Solutions” in celebration of “National Baby Safety Month”. We had “8” members and “1” guest present.

George Codone, Sr gave a brief history of Chic-fil-A mentioning that there are over “2,500” privately owned restaurants with “hired” Operators running the individual locations. The founder’s family maintains ownership of all locations. The COVID pandemic has placed restrictions and challenges on operations, and staff. To best serve the customers and keep safety in the forefront, Chic-fil-A has had to resort to “drive through” only, limited hours of operation, limited menus, and keep in alignment (all the while going beyond minimum requirements) with governmental edicts & guidelines. Still maintaining a “98.2%” accuracy on all meal orders, the Zebulon Road & Eisenhower Parkway locations are serving 4,000 to 6,500 meals per day, moving an average of “160” cars through the drive through per hour. Sales were down at the beginning of the pandemic but have increased over last year for the months of May, June, & July. Due to the supply demand, face masks have been difficult to attain, and gloves have increased from \$5.00/100 to \$15.00 per 100. The locations are having to balance speed and accuracy with safety and service.

“Parting Quote”

With politics high on everyone’s mind, politicians “ranting and promising”, the Presidential Election” at stake in November, I ran across this quote from former **President George Washington** (more statesman than politician) -

“I had rather be on my farm than the Emperor of the World.”
